

MAAFUSHI, MALDIVES

Ride where the ocean *meets the sky*

The only horses living on a local island in the Maldives. Walking-pace beach rides, sunrise and sunset, five minutes from the Maafushi jetty. A rate card your team can quote from memory.

WELCOME TO ISLAND STABLES

Extraordinary. Authentic. *Unforgettable.*

Our stables sit on Mantafushi, a small island joined to Maafushi by road. Guests never need a boat: our buggy collects them from any guesthouse or the jetty and brings them back after the ride.

Rides are at walking pace, one guide per booking, on gentle Marwari horses. No experience is needed and most of our guests have never sat on a horse before. Riders take turns on the horse, so a group of two takes about twice as long as one.

TRIPADVISOR REVIEW

THE SANDBANK

Turquoise water, white sand, and a horse that walks into the lagoon.

Every ride ends on the sandbank, where the water is knee-deep and the light is best.
This is where the photos your guests post come from.

Four ways to ride

Everything is built from the same simple card: a price per rider, a ride length, and optional photos or video. These are the combinations guests ask for most.

Beach Ride

20 MINUTES PER RIDER · FROM \$70 PER RIDER

The classic. Along the beach and into the lagoon at walking pace. Perfect first ride, perfect for families.

SAME PRICE, THE BEST LIGHT OF THE DAY

The 17:30 and 06:00 slots go first. Recommend them for couples and anyone booking photos.

Free pickup

Buggy from any Maafushi guesthouse or the jetty, and back.
